Wine buff Bianca loves a flavourful mouthful of the white stuff and doesn't need some fancy wine waiter to tell her which one. "I just love sucking cocks – big ones, little ones, bendy ones, hairy ones, but it's the pricks that give me the biggest load I like best. Also, I like cocks to taste a bit of pussy, so make sure you fuck me first before I finish you off!"

Phwoar real

My mate Clive and I got our birds together for a foursome.

Rachel was clearly turned on by Shannon, because she stripped off quickly and lapped at her cunt like a cat.

£60

Rachel, Surrey

I took off my clothes and offered her my cock to taste. Shannon gobbled it down, clogging up her throat with my

meaty sword.

It felt so good I had to close my eyes and avoid looking at this sexy 20-year-old devouring my cock. I looked back down – Clive was naked, and Shannon was wanking his dick off as Rachel sucked his helmet.

I told Rachel to get on the floor on her hands and knees and then I made Shannon get down beside her, facing the other way so she could see her man's cock getting buried up my Rachel's tight cunt.

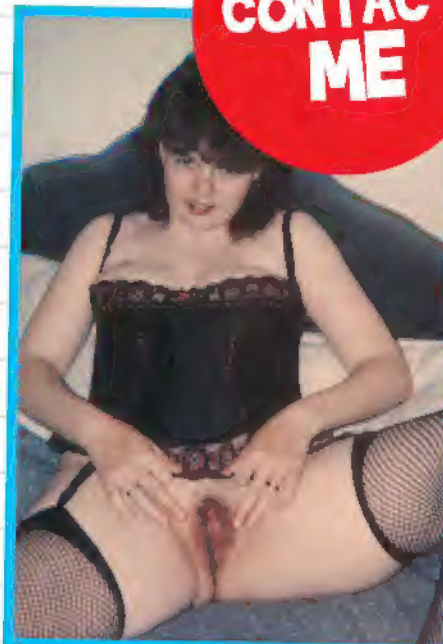

Then Shannon made us swap over, me fucking Rachel and Clive banging his girl. I got to fuck Rachel and then slap my dick back in Shannon's amazing cock-sucking mouth. She sucked

my dick then wanked me out onto Rachel's arse.

And when that was done, she told Clive to fuck Rachel and shoot his load over her arse as well because she wanted to eat it all off Rachel's cheeks!

Tommy, Surrey.

George's medicine

When my husband, George, first told me he wanted to have sex with other women – and he wanted me to have sex with other men – I was a little shocked to say the least, but I love him and wanted to make him happy so I said okay.

We got in contact with a local couple and arranged to meet them at their home.

Because we were newcomers they suggested the best thing was for us to just relax and see what happened.

With all of us sitting on a large, L-shaped sofa, Ryan, a medium build, slim, balding 30-year-old, and Jane, a petite, thin blonde in her late 20s turned their attentions on each other, kissing and whispering to each other, and

She ate my hot spunk off my girlfriend's arse cheeks

George stroked my hair and held my hand.

Things progressed and soon Jane and Ryan were naked, Ryan's cock jutting out in front of him as Jane toyed with his balls and I found myself becoming aroused.

Turning to George, I looked him in the eye and he kissed me deeply, his hot tongue probing for mine.

George let his hands

her hand as she played with Ryan's dick.

Ryan knelt on the sofa beside her so that his penis was level with her face and she began to lick his prick, cupping his balls in her hand.

I reached over to George and felt his groin – his dick was rock solid inside.

"Take your clothes off," I said to him and he hurriedly undressed. When he

She helped me quickly out of my clothes as our husbands looked on, George still clothed, probably wondering what the hell was going on!

And then I was naked and Jane was lightly touching my pussy as she nuzzled my nipples.

To have another woman touching me was overwhelming. My cunt flooded and soon Jane had two fingers inside me and fucked me with

was naked, I did as Jane did, sucking on his cock and playing with his nuts.

"Do you want your husband to fuck me?" asked Jane, her fingers still deep inside me, her thumb rubbing against my throbbing clit.

Jane knelt on the floor and George came in behind, smiling broadly as he sank his seven inches into her snatch.

Beside them, Ryan lay on the floor and invited me to take a seat. After years of riding the same cock, sitting on

Ryan's shaft was incredible.

I rode him hard, watching my husband fuck this beautiful, lithe young girl doggie style, and I felt more alive and turned on than I had in years.

So when my husband pulled out his cock and wanked himself off directly onto Jane's anus and Ryan's fingers began to probe my own ring, my orgasm ripped through me.

We've been swinging for two years now but I'll always remember that first time.

But it wasn't Ryan's hand that ran along my thigh. It was Jane's.

With my pussy getting wetter and Ryan's hand slowly working its way up inside my skirt, I looked down to see whose hand it was that was turning me on so much, and was shocked to see Jane looking deep into my eyes.

All of a sudden, a wave of lust came over me and I moved to kiss her as Jane wrapped her arm around my neck and pulled me

THESE GIRLS were in perfect Harmony at the Vanilla Club, London W1, where porn legend Gazzman was dishing out the free drinks and making a porn film at the same time. Dear Julia: Last week I purchased my Escort from the normal outlet (an

Dani belongs behind bars – the bars we drink in preferably. Judging by the way she **shimmied** out of her underwear while pouring us a Scotch, then added a gallon of soda to the glass (via her boobs) and **glugged** it herself she won't be winning any Barmaid of the Year awards. But then who needs to get drunk when a naked Dani's like something out of an absinthe fantasy! With thanks to Players Gentlemen's Club in Maidstone.

REAL WIFE SEX

Shelley.
Romford

One night stands can not look so good in the morning. But Paul keeps cumming back for more...

The new woman in my life is beautiful, mysterious and extremely sexually demanding.

Not that I'm complaining, as she's definitely a couple of steps up from the birds I've been used to! I'm not sure that I could exactly call her my girlfriend, though, as we don't do anything together

We only share bodily fluids

but fuck. If being a girlfriend means you share thoughts, feelings and memories then I don't think she is one – the only thing we share is gallons of bodily fluid!

I met her at a nightclub one Saturday night. She was dancing with a fit-looking bloke and their sexy moves caught my attention. They were like John Travolta and Olivia Newton-John they were so good. At first, I thought they might be a

pulling was always this easy!

Pressing her crotch against my erection as we danced, she moved her hands behind me and squeezed my arse cheeks, her long nails digging in to my bum as she thrust and gyrated her hot pussy against me.

She was so sexy and so confident, and I have to admit I was getting really turned on. If it weren't for all the people in the club, I would happily have whipped my cock out right there and slipped her a length. Suddenly, she was done dancing and dragged me off the dance floor, so we went to the bar, where she asked me to get her a vodka and lime.

We had a drink, chatted for a bit – well, she talked and I just listened. To say she was a bit bossy would be an understatement, but if I'm

couple, but when the music stopped she walked over to me and beckoned me after her on to the dance floor, without giving her previous partner a second look.

I must admit I found this really sexy, and I was well into the way she looked,

She demanded I fuck her hard

so I quickly followed her. We were dancing slowly, our bodies pressed together, when she reached between us, and, squeezing my dick through my trouser-front, whispered in my ear that she would like to fuck me that night! Christ, if

honest, I was totally cunt-drunk, and just hoping this was going to go a bit further.

Not long after that we left, she told me we were going back to her place – she didn't invite me, she TOLD me. Fucking hell, she was so confident, so sure of herself. Now, I'm not really into domination, and I've never been shy about approaching women and making the first move. But all of a sudden I was being told what to do, this woman practically demanding I go home and fuck her. And I was more than a little turned on by it.

Her flat was an unfussy modern structure with lots of large glass windows in an upmarket residential area. Once indoors, Shelley poured some drinks and we sat in the living room. Sitting oppo-

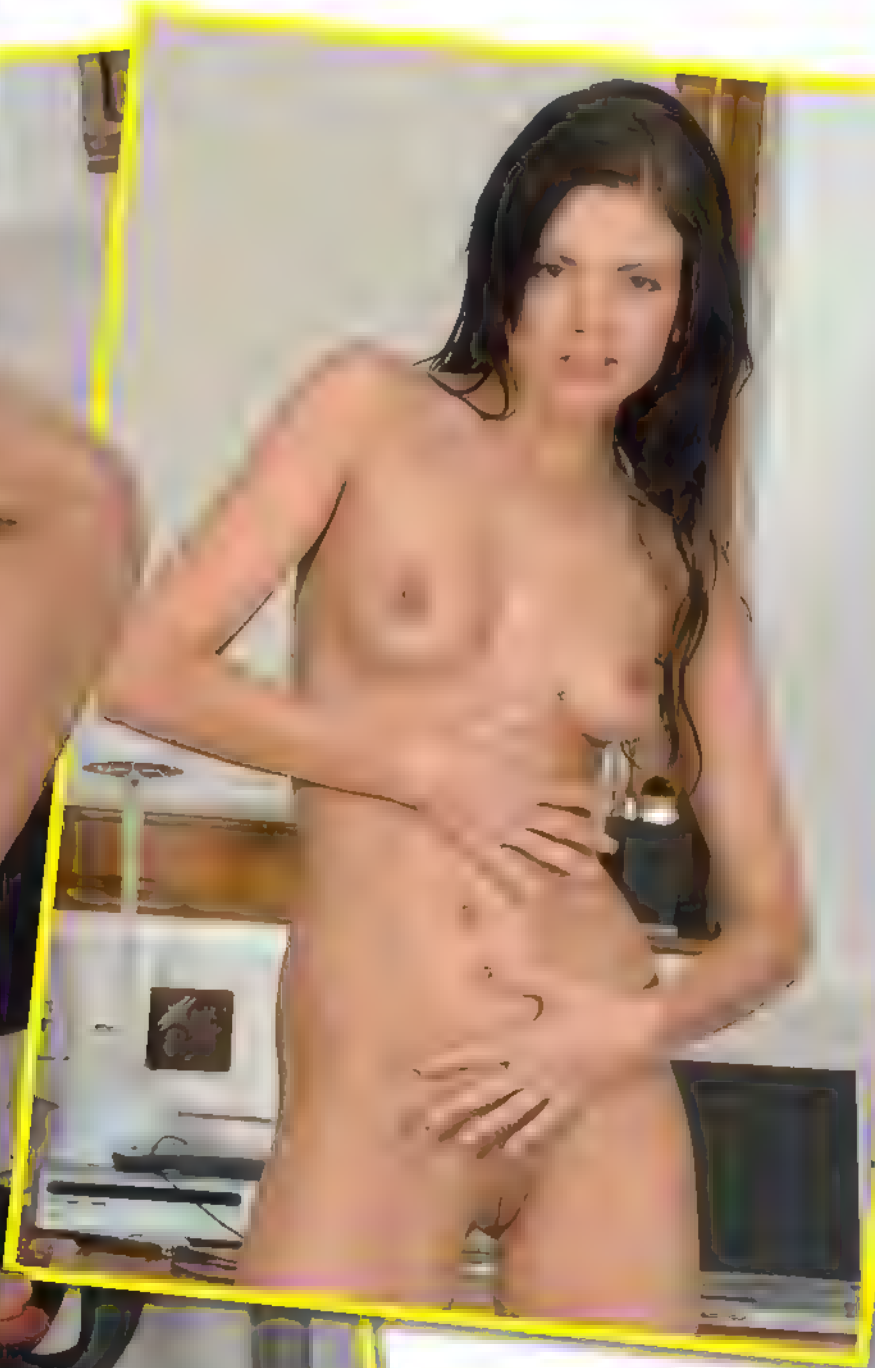

site me, she inserted a fresh cigarette between her lips. My cock stiffened, growing harder as she suggestively ran her long painted fingernails from the filter to the tip of her cigarette. Taking a heavy silver lighter from the table, she lit up and inhaled slowly, her luscious crimson lips sucking on the tip of the elegant holder.

Drawing deeply, she leaned towards me and blew smoke in my face. Then, standing up, she told me to unzip my

flies and show her what I had "to offer". Blushing, but incredibly excited, I did as she asked. She looked down at my erect prick, reached forwards and drew her long nails up the shaft, scratching the skin lightly. I gulped at the sensation as my cock throbbed under her touch.

"Not half bad," she said in a cool voice. "Now let's see if the rest of you is up to scratch." Imitating her cool manner, I stripped and waited for her to do the same. She obviously liked what she saw, because she dropped her cigarette into an ashtray and shimmied out of her tight skirt.

Shelley was wearing sheer black

But the prospect of getting

joined in."

That's how we found ourselves round the back of one of the tents, trousers down, dicks out, Elise sandwiched between us.

The guy in question was called Mark, a tall, rangy 30something with a dick that bent upwards. I'd been with Elise long enough to not bat an eyelid at this behaviour – meaning that I was fine with her squatting down in front of us both and taking turns sucking on our dicks.

She was wearing a thin cotton summer dress and it had dropped down her thighs to reveal her knickerless, pubeless pussy, glistening with moisture.

"I want you both to

She made sure she got cum in her face

to fuck some different fanny made me say okay.

Elise is such a horny girl, she wants to fuck anywhere and everywhere, and the person she most wanted to fuck was me!

This was how our last sexy surprise fuck happened.

We were out at a beer festival local to us, both pretty drunk by mid-afternoon and Elise was so randy, if I'd dropped my trousers in the middle of the place and fished out me boner, she would have been on her knees sucking it before my trousers had passed my knees.

So we were kissing heavily at the bar, her hands were all over me, rubbing at my cock through my strides, and I had both her butt cheeks in my palms and was pulling them apart big time.

"You two look like you're having fun," came a male voice from behind me.

Quick as a flash, Elise stopped tonguing me and said to him, "We are. But we could have more fun if you

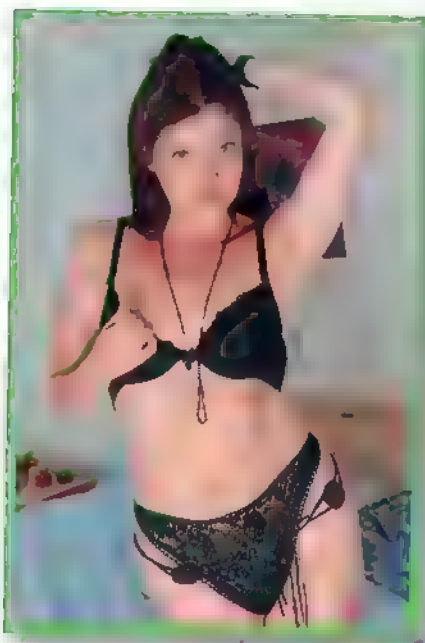

spit roast me," she said, a filthy look flashing across her eyes. "But which one of you is going to fill my pussy with cum and which one of you can tickle my tonsils with your sauce?"

she talked me through what getting fucked by Mark as like, so I told him he could chose.

He went for her cunt, of course. It's so juicy, you can never say no!

that's how I like it."

Then she started to suck on my dick, getting it as far inside her mouth as it would go. If I know my Elise, she likes to be full up!

Elise, Bangor

I was fine with both, I knew that once we'd got back home she'd be up for getting fucked in every hole by me as

Standing up and lifting her dress up over her hips, she bent over in front of mark and wiggled her arse at him.

"Come on then, Mark, fuck my pussy however you're like," she said.

"You'll probably never see us again after today, so fuck it good and hard,

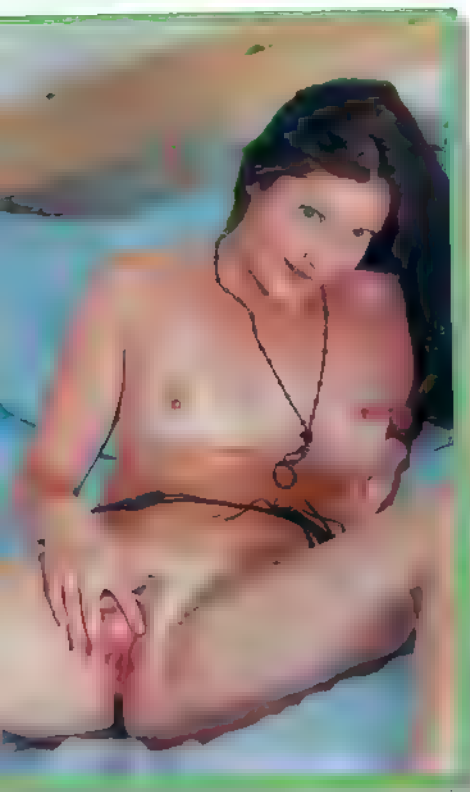

£120

Mark wasted no time, grabbing her by her hips, he glided himself into her cunt and began slowly sliding himself in and out, making Elise moan around my nads.

Mark's thrusts built up a head of steam until he was really fucking her hard, like they do in the porn movies. I could hear him slapping against her arse and feel how hard he was fucking her as Elise's lips and nose slammed into me.

It was perfect, the harder he fucked her, the more she was shoved down onto my cock!

This is exactly how Elise likes it, so when she came, she just had to take my dick

out of her gob and cry out loud. Loud enough for me to have a little panic that the bar staff inside the tent would hear us.

Mark couldn't keep up his hard pace for long and he came as well, ramming his rod up her cunt with every blast of spunk that shot into her slippery hole.

But I tell you what, the look on his face when Elise squatted down in front of me and wanked my dick off all over herself was priceless!

She made sure she got my cum on her face and hair and down her dress and to top it off, the randy cow didn't clean any of it off until after we were out of sight of Mark!

Now you tell me, would you leave your wife for a filthy tart like her? I did!

Ramble bush

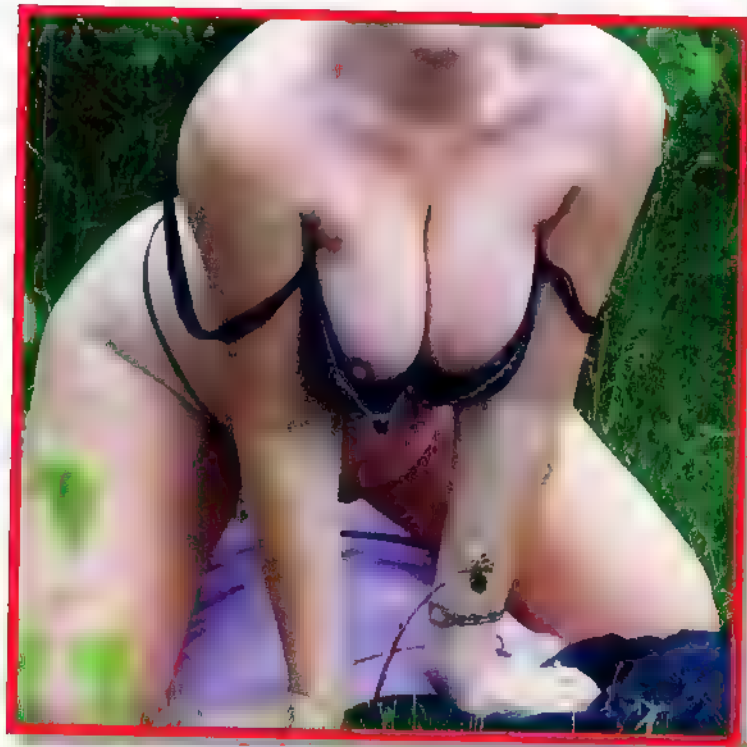

My partner and I have always been up for a bit of outdoor fun and games.

After an afternoon walk we sat down in what we thought was a secluded area for a bit of fun with nature.

me and fuck me hard.

He had other ideas though and pushed me on to my back, ripped my shorts off and proceeded to lick my smooth soaking slit, flicking my hard throbbing clit with his expert tongue.

I moaned aloud and thrust my pussy upwards so he

carried on excitedly sucking my juicy pussy.

As I was slurping away at this stranger's big dong I could feel an orgasm building up in my stomach and pussy and my tender bud was throbbing. I was going to cum soon and wanted a cock in my hole desperately.

My partner bent me over and shoved his hard cock into my sopping hole as I teased the stranger's bell end while cupping his balls, making him grunt and moan.

The stranger's balls slammed against my peachy arse

I had dressed for the occasion with a pair of tight slutty shorts and a low-cut vest top which showed off my perky tits.

My partner pulled down my top, released my erect nipples and began to roll them between his fingers while his other hand rubbed my crotch through my shorts.

My pussy was soon soaking wet and I let out slightly muffled sounds of pleasure.

Soon I was rubbing his hard cock, begging him to enter

could tongue me deeper.

After a bit of slippery tongue action my partner sat up and noticed a bloke who we had not heard approach look directly at us wanking his stiff cock, obviously enjoying the show.

My partner called him over and asked if he would like me to suck his rampant cock.

The bloke came over and unzipped his jeans, revealing his big hard member.

I took his bulbous glans in my mouth while my partner

REAL WIFE SEX

Paul's story continued from page 19

nylons, held in place by thin silk straps of a lace suspender belt. Sliding her panties down over her legs, she pulled them free from her spike-heeled ankle boots.

She unlaced the front of her tight leather bodice and, cupping her pert C-cupped tits breasts, she held them

You couldn't have kept me off her with a shotgun and, pushing roughly between her parted thighs, I was on top of her. Without any foreplay or thought, I rammed my aching cock inside her cunt and started slamming into her hard.

Her nails raked my back and she held

she thrust her hips upwards to meet my strokes and started growling and moaning with pleasure.

I fucked her and fucked her, actually quite surprising myself at how hard I was going, and how long I was lasting, pumping her until my back was aching. Her hands suddenly found my bum cheeks, her nails digging into my arse as she tried to pull me even harder. And then she screamed out loud, her legs gripping my waist tightly as she came, her pussy muscles clamping hard around my dick, as she again bit down gently on my shoulder.

That was enough to push me over edge, and after two more hard thrusts I came, jet after jet of hot, thick cum flooding her pussy, as I continued fucking her, pumping until every last drop of spunk was inside her.

After a break I started licking her slit. Soon she had one leg thrown over my shoulder, clinging onto me for balance as I ate her cunt.

It was a much easier job on the bed, laying her back and shoving her legs so far up and back her knees were up against her tits.

I stuck my thumb in her cunt and slid my middle finger up her asshole, then got licking at her clit, sending her into a frenzy. She was rocking back and forth, wriggling against my fingers, until I felt her cum around them. Then it was my turn.

I kept her as she was for

out for my inspection. It was all I could do not to drool, but as I reached out for them she laughed, turned away and led the way to the bedroom.

She then simply climbed up onto her bed, lay sideways on to me, smiled up at me and simply said, "Come on then, big boy!"

on to me with her teeth, biting my chest as I shagged her as hard as I could.

"Come on," she growled. "I said I wanted to be fucked, not just prodded." The jibe only made me more horny, and I went at her like a savage, thrusting into her as hard and fast as I could, my hands gripping her breasts roughly as

a deep fuck, slipping my cock up her slow as I could manage, making the most of the pleasure. Then I just banged the arse off her, mashing my crotch against her snatch until I was flooding her pussy with spunk.

I couldn't hang around too long, but she wasn't letting me go anywhere yet. My finger up her arse had whetted that appetite – she rolled over on her belly, put her arse in the air then reached

I smeared spunk up her crack

back, smearing the spunk and juices oozing from her snatch up over her crack and around her arsehole, using a couple of fingers to wet inside it too.

A few minutes of watching that and my cock was twitching. I pumped into her cunt a couple more times, then slid upwards to her pink pucker. Her arse was relaxed, and I was soon in to my balls.

She twisted about on my bell-end, moaning loud as she started to frig her clit. I dropped a hand and felt her pussy was already pulsing, and she kept on cumming as I fucked her. Finally, I couldn't hold back any longer and I lost my load deep in her arse.

Like I say, after several visits, I still can't really call her a girlfriend, but with sex like that, who's complaining? ⑤

Flame haired Charlie has a burning desire for a hot fuck! "Sometimes I just get so turned on I think I'd have sex with the first bloke who knocks on the door." Which is good news for post-men, meter readers and Jehovah's Witnesses. "If no-one calls I'll go out to the pub. There's one at the railway station near my house, with the odd stranded single bloke in. I pretend I've missed my train and ask him to buy me a drink. We often end up shagging in the toilets!"

Butt please

I'd had fantasies about women before, nothing too steamy, but I'd never seriously considered sleeping with one.

Jane and David were so normal! A little older than Matt and I, they had a warmth that made me feel like we were friends very quickly, David being especially charming.

I confess, I had no idea what to do and David suggested that Matt and I could just watch the two of them together, it seemed a good start.

First, they began to kiss, their tongues coming together and their hands running up and down each other's bodies. Jane, with her back to us, began to

play with David's cock, feeling it from outside his trousers before undoing them and putting her hand inside.

I could clearly see his bulging penis before Jane had pulled it from the waistband of his trousers and I was becoming aroused.

Matt was stroking my arm and my hand rested on his thigh. We started to kiss as well and when I next looked, Jane was naked, sitting next to David, wanking him slowly as they watched us.

Jane smiled at me and I smiled at her and she came over to sit next to me. I turned to her and we kissed and it felt completely natural.

The next thing I know, she and I are embracing and I have Jane's tongue in my mouth.

My hand rose and I nervously placed it over her breast, her nipple was hard under my palm – touching this other woman's body had turned me on incredibly.

I felt her hand come to my

knee and run slowly up until she was so close to my pussy. Without thinking, I opened my legs to let her know she could go further and then I felt her touch me lightly through the cotton slacks I was wearing.

My lips were open, my body already wanting more and more. I stood up, desperate to be as naked as Jane was, to have her fingers inside me, her mouth on my clitoris.

I sat back down with her and we kissed as she deftly toyed

Honey pie

There is no greater pussy eater than an older woman!

When my husband and I go to parties, I always hunt out the sexy older woman. The

last party we were at was a big club night where I found myself face to face with a plump 50-something woman in a tight PVC catsuit and a naughty smirk on her face.

"I want you," she mouthed, and I mouthed the same words right back.

"I would love to taste you," she said when we'd found a corner. "I bet you have a lovely pussy. Do you shave it?"

In answer, I raised my flimsy chiffon skirt and pulled my thong to one side to show her my freshly shaven cunt.

Honey smiled and knelt before me, kissing my thighs and running her tongue up to my fleshy folds.

I sat back to give her

better access and stroked this sexy older woman's long blonde locks as she sucked on my pussy lips.

I could feel my juices greasing my pussy and had to catch my breath when Honey's tongue found my clitoris.

"Tell me," she asked from between my legs. "Do you like to be fingered or is it just tongues that get you off?"

By now we had a few admirers and a couple of men had asked if they could join us, to which Honey said no, this

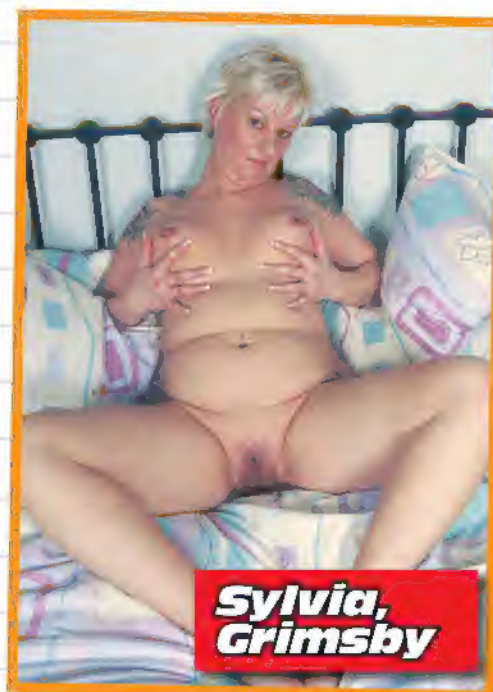

I gushed juices on to her eager face

was for girls only.

She stood up, her hand rubbing my cunt, and pushed her juice soaked tongue into my mouth, making me taste

myself on her.

"Cum on my face," she said, almost pleading, the tone in her voice making me that much more hot.

She deftly toyed with my pussy

with my pussy, teasing a finger inside and splaying my labia open,

Then Jane looked me in the eye and began to kiss my throat, down my breasts, sucking on my nipples, over my stomach, until her tongue was expertly teasing my clit.

I was almost in a state of shock at how much I was

into this, and amazed at how quickly this woman brought me to orgasm – an incredible, shuddering orgasm.

Afterwards, we sat together laughing at what had just happened and then at the boys sitting there playing with their very hard cocks.

A whole new world of sex been opened up for me.

Claire, Swindon.

Then I caught sight of my husband standing not far off, furiously wanking his cock and staring at me.

I watched as he pleased himself while Honey's expert tongue and fingers worked their magic on my cunt and when my hubby blasted his spunk onto the floor, I

came, gushing juices into Honey's eager face.

After her incredible tonguing I was spent and ready to go. Honey slipped me her number and after she'd left my husband took me home to fuck me doggie style while I told him all about it.

Sylvia, Grimsby.

Barbie dolls

Last year we attended a swinging barbecue thrown by some friends of ours and it was fantastic!

I love watching my girlfriend, Fiona, taking on cocks or eating out pussy and outside there was nowhere for you to hide – shagging everywhere you looked!

We'd only been there for twenty minutes when a hot looking brunette asked us if we'd be interested in having a little fun with her and her boyfriend and Fiona said she'd love to have them both in her

soon after that another couple turned up and the guy joined in.

What a sight, seeing these two birds on their knees, side by side, sucking cocks wherever they were, kissing each other over a cock as they wanked more big dicks off with their hands.

It wasn't long before Fiona got a faceful of spunk but that didn't stop her, she carried on wanking cocks and sucking on them as more and more people turned up to watch.

It was too much for me, I was wanking away happily until a cute little thing with

mouth.

So that had me hard as a rock and Fiona with a taste for more.

Then we found a spot with a number of benches facing each other and in the centre of it was a 40-something slim blonde taking on three guys.

Fiona wanted to get in on it and asked if she could join and no one protested and

cropped black hair and B-cup tits asked me if I "wanted some help with that?"

So she wanked me off swiftly, making sure I came on her stomach before leaving me with a smile and a thanks. It was a little weird but very, very horny!

We took these pics after we shagged later on that night.
